MR. AJAY SINGH  
(Founder & CEO)

" Always think, you are the  
best one. "

*Ajay Singh*

**Mr. Ajay Singh** is a graduate and an MBA with a more than a decades of experience in manufacturing industry. In 2015, he started his own manufacturing company "**DK Engineering Group**" with the aim to provide high quality supermarket products.

He truly believe that he is very lucky person from a constant mindset generation throughtout his childhood and growing up years, it was a very different economy from what it is today.

He aims to break the vicious cycle of poverty and social isolation and to restore hope for a better future. Every person has the right to access resources and opportunities in order to live and develop with dignity and to become an active and contributing member of our society.

# Company Profile

DK Engineering Groups is a leading supplier of products and solutions to brand manufacturers for merchandising on the shelf and in other parts of the store.

We are a famous manufacturer of quality approved assortment of super market & garment display racks.

Our products are admired for their fine finishing, light in weight and designed by experienced professionals using quality material.

We offer various range of products which consist of best grade super market racks, Elligator bins, PVC data strip (Single lock & Double lock with stopper), PVC coving, PVC stopper, L- type strip (single lock), aluminum coving, Cash Counter, cash drawer, SS bins, peg hook holder and many more products.

We provide an excellent and friendly environment with more focus on team building. Moreover, we offer acceptable prices of these products and provide quick delivery of these products at specified places.
